ACKNOWLEDGMENTS

Three individuals are acknowledged for their gracious help regarding this work. Each spent numerous hours in content review, providing suggestions, corrections, and revisions. In addition their extensive discussions with the authors were invaluable. While not always agreeing with the content, their input sharpened the arguments of the book.

Dr. Kenneth Mitchell, pastor of Westside Chapel in Jacksonville, Florida, is the pastor of our home church.

Dave Gore is a member of a small support group in which Ken participates that meets regularly to encourage and stimulate each other.

Kay Neff, Ken's wife, provided extensive content development and also gave enormous encouragement for the project as well.
